

503.104-7 Violations or possible violations.

(a) The HCA is the individual designated under FAR 3.104-7 (a)(1) to receive information related to a conclusion that a reported or possible violation has no impact on a procurement.

(b) If the HCA receives information describing an actual or possible violation, the HCA must take all of the following actions:

(1) Refer the matter immediately to the Inspector General;

(2) Determine what action to take on the procurement under FAR 3.104-7 (b)-(g); and

(3) Notify the Administrator if he or she determines that urgent and compelling circumstances, or other Government interests, justify the award or modification.

(c) If a contracting officer has not been appointed, the contracting director performs the contracting officer actions defined in FAR 3.104-7.
